Supporter of Murrieta Valley Baseball,

Murrieta Valley High School Baseball has begun preparation for 2012 season, and we are encouraged by the potential of this year's squad. Our players and coaches are truly excited to be part of a program heading in such a positive direction.

Like many areas of education, our Baseball program has felt the effects of district and state-wide budget cuts, but we're determined not to let that keep us from achieving our goals. As such, we are reaching out to a few important people in our lives, and asking for their support to help make the 2012 Baseball season a memorable one. By supporting Murrieta Valley High School Baseball, you will become a major part of our winning team, as we attempt to build upon the tradition of Nighthawk Baseball, which includes our 2010 Championship in the prestigious Southwestern League.

But, like I said, we need your help. Your sponsorship of Murrieta Valley High School Baseball will allow us to improve our facilities and playing surface, travel safely to and from games, and ensure we have the proper equipment to be competitive. But ultimately, these funds will allow our coaching staff to provide a positive environment, conducive for winning and development...and together, we will turn our 2012 season into a great one!

I hope you get the opportunity to see us play this coming season, and we could not be more thankful for that support. In addition, if you are able to donate to our program, and help us continue to develop the Murrieta Valley High School Baseball tradition, then please take advantage of the three ways to donate listed at the bottom of the page. You may even donate online!

Thank you so much for taking the time to read about our program, and the great things Murrieta Valley High School Baseball has in store for 2012.

Gratefully,
Scott Widner

Thank you for any support you can give to our program. We really appreciate it.
